

Hello

This is your neighbour(s) from
(Your name) (Your address)

We will be cooking some food on and wondered if you would like us to bring some to your door?

This time we are making (recipe name)

There is no charge for this at all. We're just trying to help our neighbours at this challenging time.

All we ask for is our dishes or Tupperware back!

If you are keen, you can either give us a call on or leave this out under a stone or something heavy and we will be back to pick it up tomorrow around

Stay safe, be well. Thanks
